WORSHIPPING GOD THROUGH GIVING

“Bring your whole tithe into the storehouse, that there may be food in my house.

Test me in this, says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.”

CHURCH MEMBERSHIP

If you have not filled out a *membership form* since we returned after the pandemic shutdown in 2020, you need to fill one out. It is important that we keep our PowerChurch database updated for you to receive the benefits of membership (i.e. sacraments, funerals, weddings, etc.)

If you filled out a form, there is nothing for you to do. If you have not filled out a form you need to do so. If you are unsure, you can contact the Church Office.

If you don't receive emails from St. Sabina or an occasional phone blast and/or text, we probably do not have a current telephone number for you, especially if you have disconnected your landline. Please call the Church Office to update your information.

WHY FLY THE FLAG UPSIDE DOWN

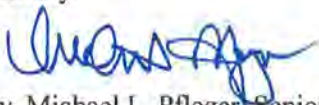

There is a danger of letting what's happening in America to become normalized. We have watched thousands of Federal workers fired from their jobs, with no reason, putting their homes and families at risk. This administration has demonized thousands of Haitian, African, Venezuelan, and Mexican immigrants as criminals and scooped them up like cattle, often separating parents and children and deporting them rather than fix the border. This is being done while the President pardons actual convicted criminals who stormed the Capitol causing damage to property, defecated on the Speakers desk, and harmed law enforcement with one police officer losing his life.

This administration has declared a take over and ethnic cleansing of Gaza, blamed Ukraine for a war when Russia invaded it, shut down DEI, put Medicare and Medicaid at risk, is banning Black History in schools and unraveling the gun laws we have fought so hard for to protect our children and schools. It is about a President who has totally ignored the Constitution of the United States of America and, unfortunately, has few guardrails besides the court systems to stop him. And sadly, this is just some of the long list of actions that are taking place that is dismantling our democracy and government check points, much of this is being done by a billionaire citizen who the President has given total access to the government and to American citizens confidential information. The flag upside down is a symbol of distress and emergency, and our actions are to proclaim that America is in distress, and we are in a "State of Emergency."

We reached out to countless Veterans in conversation who all agreed with us and many who turned out with us on the day we raised the flag. I believe we are at a crossroads in America. We either can assimilate into this madness, becoming overwhelmed and depressed and angry, or can stand up and call it out and resist this trainwreck that is tearing our country apart. We have chosen to raise the flag upside down to say what's happening is wrong and unacceptable and cannot be normalized. The truth is this past election was not so much about Republican or Democrat or even the election of Donald Trump, rather it was more a statement about us and who we are as Americans. There are those who truly seek and believe in building a country where there is freedom and justice for all and another group who will fight, lie, and steal to build a country of white supremacy and control by oppression. We must decide whose team we are on because history will judge us. We need to decide whether we will repent of our injustices and commit ourselves to being who we say we are or continuing on this path of wickedness.

In his sermon "Paul's Letter to American Christians," Dr. King told us we must redeem the soul of America and that must be the charge of the faith communities and citizens at large. Until we redeem and transform the soul, laws, and culture we will continue to give way to fascism and oppression.

America we must resist nonviolently, yes, but resist!!! Or we will find ourselves repeating Nazi Germany.

HELP US FEED PEOPLE!!!

The food pantry we took over on October 1st, after Catholic Charities closed, has been a blessing, but also a challenge. In the first 3 months, we have provided food for over 11,000 individuals. While the Chicago Food Depository has been an amazing support and partner, we are in desperate need of more food to keep up with the numbers of people turning to us for food. We are in need of canned good, especially fruits, vegetables, and canned beans.

*If you can help, please either drop items off at the pantry,
1120 West 79th Street, or you can drop them off or send them through
Amazon to the church office,
1210 West 78th Place, Chicago, IL 60620.*
